

## St. Anne School Family Newsletter

April 29, 2015

Dear St. Anne Parents,

Many thanks to all of you who helped make our Jr. High Student Washington, D.C., trip a reality. All the students and accompanying staff had a wonderful time. This visit we were able to sit up in both the Senate and House galleries and watch our legislators in action. All of the sites we visited were full of our country's rich history. The teachers and I were very proud of how our students interacted with everyone we met and everywhere we went. These young people were outstanding ambassadors for our school. We received many compliments throughout our trip. Again, these compliments are a reflection on how you are raising your children. Good job, moms and dads!! I want to especially thank Mr. and Mrs. Lynch for their generous donation of the personalized Washington, D.C. canvas tote bags. The revenue from this sale helped us to offer partial scholarships to some students. We still have 10 bags left if you would like to buy one. These are strong durable bags that you can bring to the store and will last for years. Stop by the school office or call Mrs. Finnegan to purchase one.
