Over 35 years of Food Service experience in the kitchen.

The LunchMaster is a local company owned by Ted & Marie Giouzelis. Ted and Marie have been in the food service industry for over 35 years and still maintain the original quality and integrity of the program.

The LunchMaster Philosophy is a commitment to providing home cooked meals that are nutritious and delicious. Our Registered Dietitian manages the nutritional content of all menus. The LunchMaster facility is nut-free.

- Meat is all natural, hormone, steroid and antibiotic free.
- Lunch meats are low fat, preservative and carcinogenic nitrate free.
- Whole grains, whole wheat and white wheat items are always emphasized in our tortillas, breads, and pastas.
- Milk is *always* hormone and rBST-free.

Quick Setup. Effortless Service. Happy Kids.

Flexible Deadlines – Order until 6:45 a.m. for same day meal delivery.

Track Allergens – Flag the allergen once and it's gone forever.

Passion that you can taste – 14-17 Dietitian approved meals offered daily.

Rich details – Nutrition information, detailed menu item descriptions and full color images of each meal.

Multi diner registration - Register multiple diners at one time, even if they're at different schools!
