

How Do I Purchase Scrip Cards?

Let me count the ways ...

We stock approximately 20 types of Scrip cards.

1. Stop by the St. Anne Office Monday thru Thursday, 8:00 a.m. to 8:30 a.m.
2. Stop by the Irving Front Gate Fridays, 8:00 a.m. to 8:20 a.m.
3. Stop by the Scrip table at SAPTO meetings one hour before and 15 minutes after the meeting.
4. Stop by the Scrip table at special events like, Back to School Night, the Parish Festival and the Christmas Program.

Looking for more Scrip card options, visit www.shopwithscrip.com. At the bottom of the home page, you can go to “Quick Links”, then “Retailer List” or “Retailer List by Category”. No registration is required to just view the Scrip card options.

5. Submit an order form through your child’s class. Complete the attached order form or you can print one from the St. Anne’s website. Please be sure to attach a signed personal check or cash.

Please note: Orders normally arrive in about a week but can take up to two weeks. Once the cards come in, we can send them home with your child (you may only want to do this if you have a child in one of the higher grades), or leave your order at the Office or Extended Care for you to pick up.

6. You can go to shopwithscrip.com and place your order. You can send your payment (personal check or cash) in a sealed envelope labeled “Scrip” with your name and your child’s name and room number. Your order will be placed once payment is received. You can also pay by setting up a Presto Pay Account (the money will be deducted from your bank account. There is a \$0.15 transaction fee per order).

Please note: You will need a registration code to place any orders. To request the code, please email sapto.escrip@gmail.com. The first time you set up your Presto Pay account it will take a few days as they will need to confirm your bank account information with you.

7. If there is a card that you constantly use, like Chevron, Safeway, or Starbucks, you can reload by going to shopwithscrip.com and using your Presto Pay account (See Option #6). Look for Scrip cards on the website labeled “ReloadNow”. You will first need to purchase an actual Scrip card, but from then on, you can just reload your card at your convenience.
8. Need a Scrip card right away, please go to the shopwithscrip.com website and see if it available under “ScripNow”. You will need to set up a Presto Pay account for this option (See Option #6). You place your order, use Presto Pay to make your purchase, and then you just print out the gift certificate to use at the store or you can use the code for online purchases.

For questions about purchasing Scrip cards, to get your current balance, or to obtain the registration code, please email sapto.escrip@gmail.com.

Thank you for supporting Scrip!
