

St. Anne School Family Newsletter

September 3, 2014

Dear St. Anne Parents,

Our Back To School Night is a perfect night for every parent to gather information about the expectations of your child's classroom teacher(s). Over the coming weeks, I am sure that you may have additional questions. Please do not hesitate to give your child's teacher a call or email him/her with your question. We want all our parents to get answers to questions as soon as possible. When a question arises, do not hesitate to ask your child's teacher.

Speaking of questions, I realize that when anything new comes into play, there will be questions. Our Scrip Program is one of those new programs that has posed a number of unanswered questions. Rather than address them one at a time, I would like to ask anyone who has a question about the Scrip program to please email me your question. I am more than happy to get you an answer. I will be addressing this issue specifically at our first SAPTO meeting on Monday, Sept. 22. Purchasing of Scrip cards is becoming easier than ever. **Starting this Friday, Sept. 5 and continuing every Monday and Friday from then on, Scrip cards can be purchased and/or ordered in the schoolyard before school from 7:55 – 8:15. Look for the SCRIP banner near the middle doors in the yard!**
