

Dear St. Anne School Families,

Welcome and/or Welcome Back!

As we start the new school year, I want to welcome all of you, new or veteran families, to St. Anne School. I always tell the students that it is important to remember that St. Anne School is not the school building, but rather it is the many thousands of students, families, faculty, staff, and priests who interact or who have interacted with each other within our St. Anne School building. The wonderful reputation and success our school has can only be attributed to the great people involved with our school family.

We need to remember and appreciate those loving and caring women, the Sisters of the Presentation of the Blessed Virgin Mary, who founded and staffed our school 103 years ago. Over the years, these sisters were joined by other outstanding Catholic lay educators offering their students a strong academic foundation and deep understanding and love of God. Nothing has changed. Today, our students realize that to be fully educated means more than just having a strong academic foundation. They realize that God must play an important role in their lives, prayer is there to allow them to talk to God and to listen to Him, and finally, that the world is not “all about them!” Rather, it is how each of us must use our individual/unique God-given talents and gifts to make our school, our families, our community, and the world a better place for everyone.

In the end, then, our students understand that it is because of their own individual attitudes and actions, St. Anne School is seen as a warm, caring, and successful school. Together, we embrace our newcomers and each other and serve as role models for all to witness so that our school’s understanding tradition will carry on not only for this year, but for decades to come. Thank you for all that you did, do, and will be doing this year. St. Anne School IS “...simply THE BEST!”

Thomas C. White

Early Dismissal

Dismissal for medical or other appointments will be granted when a signed written request from a parent is presented to the appropriate teacher/staff member. If the child is leaving school without adult supervision, a written request must clearly state that the student has permission to leave school without an adult. All students are picked up at the school health room. The adult must sign out the student at that time.

Drop-Off/Pick-Up

All parents are expected to follow the parking rules when at school. **At no time are parents to leave their cars double-parked and unattended!!** Please use Funston Avenue and Irving Street only to drop-off and pick-up. Students are to be dropped on the schoolyard side of these streets. **Please do not drop-off children and have them walk across the street.** Students will wait in the yard after school at their appointed gate until they see their parent's car or their ride home. Please exercise CAUTION AT ALL TIMES when driving near the school!!

Rainy Day Drop-Off/Pick-Up

During rainy days, parents are allowed to drive into the schoolyard to drop-off and pick-up their children. Please follow the directions of the yard monitors and **EXERCISE CAUTION AND A SLOW SPEED AT ALL TIMES WHILE IN THE YARD.** Students will look out the classroom windows awaiting your arrival. When they see you arrive, they will exit the building and wait for you at the center yard doors. **Parents are to come over to the center doors and walk their child (ren) over to their cars.**

Yard Closure

All students must be picked up and off the school grounds by 3:30 p.m. After that time, the yard gates will be locked. All students not registered in Extended Care or any other after school program must go home directly after school. No student is permitted to be in the schoolyard unsupervised after school. Students who are not picked up by 3:30 will be sent to Extended Care and billed accordingly. Students are not allowed to leave the school premises to purchase food/drink after school and then return to the school premises to be picked up by parents.

Faculty Meetings

Faculty meetings are held on Mondays. These are 2:00 p.m. dismissal days for all students. The fourth Monday is a 12:30 p.m. dismissal for religion updating or staff in-service meetings.

Family Vacations/Extended Vacations

Should parents decide to take their child out of school for several days because of family vacation plans, the teacher and school office should be notified. The final decision is the responsibility of the parents. This decision should take into account the effect the absence will have on the child's academic progress. Assignments will not be prepared for students to take on family vacations. Students will be required to make up certain assignments after s/he returns to school.

Absence

Please call the school on the first day of your child's absence from school. A written note must be submitted to the classroom teacher after each absence. The note should state the reason and the date(s) of the child's absence. Please report all communicable diseases to the school office immediately.

Medical Appointments

Whenever possible, notice of medical/dental appointments and/or doctor's appointment card should be sent to the school office the day before the appointment. Parents and students must check in and out at the front entrance to the school. A "medical pass" will be given to the student for admittance to the classroom.

Medications

Health Services for California Schools, section C.E.C., indicates school personnel may administer medication to any student who is required to take medication during school if the school receives:

1. A written statement from physician detailing method, amount, and time to be taken and
2. A written statement from the parent/guardian indicating the school assist the student in the matter set forth.
3. Students may not have medication in their possession during school hours. All medication must be kept in the school Health Room (the only exception are inhalers). Students may keep his/her inhaler with them if needed.

Head Lice

Students found with head lice will be sent home for treatment. Before students are readmitted to school, they must present documentation indicating that the head lice has been professionally treated.

Deadline to order is 3 days prior for full menu. For further questions, contact customerservice@choicelunch or call (855) 465-8624.

Lunch Period

Students who do not purchase lunch should bring their own lunch to school. Children going home for lunch must bring a written note from their parent indicating the date(s) their child will be walking home for lunch. Permission will not be granted to any student who wishes to leave the school grounds to purchase lunch at stores or other eating establishments.

Low-Waste Lunch and Composting

St. Anne School supports a low-waste lunch program. All students who bring their lunch/snacks to school must bring them in a re-useable container/bag. In addition, we encourage lunch items to be stored/wrapped in re-useable containers.

Our school has an active composting program to cut down on garbage. All students are encouraged to use recycling and composting containers.

Extended Care Program

St. Anne School offers a morning and afternoon extended care program. **For further information see pages 33-37 of this handbook.**

Emergency Cards

Each student must have a completed Emergency Card on file in the office. As no child is permitted to leave school alone when he or she is ill, it is necessary to have the name and phone number of two persons in case a parent cannot be reached. The emergency card may be modified in writing throughout the school year.

Earthquake/Emergency Dismissal

St. Anne School has a formalized Emergency/Earthquake Disaster Plan in place. As such, each year parents must fill out an earthquake information form for their child(ren). Parents must designate in writing the person(s) to whom their child(ren) can be released if a serious earthquake or another disaster should occur. In the event of a serious earthquake, the building would be evacuated and the children would wait for parents in the schoolyard. Formal dismissal procedures will be followed before any child will be released to any adult. In case of a City-wide emergency, please note that all Catholic Schools in San Francisco will follow the lead of the San Francisco Unified School District as to whether they will remain open or close the schools.

Forgotten Lunches/Books

Parents are asked to drop off forgotten lunches, books, assignments, etc. at the school's front entrance. Students will pick up items from the office. Be sure your child's name is clearly marked on these items.

Change of Address, Telephone Numbers, Email

Please send notice immediately to the classroom teacher and the school office if you have a change of address, email, or telephone number. It is extremely important for your child's welfare that all student records are kept up-to-date.

Messages

Students will not be summoned to the telephone or called from class to receive messages. Messages of an important nature will be taken by the school Secretary and delivered to the student's teacher. The note will then be given to the student.

Cell Phone

Students do not need to bring cell phones to school. They can use the school phone in cases of emergency. If a student must bring a cell phone to school, the following must be adhered to:

1. Phones must be kept in the OFF position from the time they arrive at school until they leave school.
2. No cell phones may be used for picture taking.
3. No harassment or threatening of persons via the cell phone is permitted.
4. Cell phones may not be used for game playing, Internet or email access, texting, gambling or making purchases of any kind.
5. Those who violate any of the rules regarding cell phones will have the cell phone confiscated for an unspecified period of time and may forfeit the privilege of bringing it to school.

Electronic Virtual Envelope

Every Wednesday, an electronic email will be sent to the primary email alerting you that our Virtual Envelope is posted on our school website: stanne.com. Our "Virtual Envelope" will contain the weekly newsletter and all other important communications from school.

Please be sure to read over all the information on the day it is sent!

This is each parent's responsibility to stay informed about school events.

Monthly Calendar

Our school calendar is available through Google docs on the school website and will contain the following information: holidays, school schedule, meetings and most school activities. We encourage parents to review the calendar monthly as a reference guide.

Teacher Appointments

Parents are encouraged to consult with a teacher whenever any question, difficulty, or misunderstanding occurs concerning their child. An appointment should be made with the teacher as soon as possible after any of the above occurs. Appointments can be made through the school office or by sending an email to the classroom teacher requesting an appointment.

Parent-Student-Teacher Conference

Parent-Teacher-Student Conferences will be held in November. School will be dismissed at 12:30 p.m. on conference days. Conference appointments are arranged with the classroom teacher. Students are expected to attend these conferences along with their parents.

Principal Appointments

Appointments are always welcomed. Appointments to see the principal may be made by calling the school secretary. The principal should be approached about classroom difficulties only after the teacher(s) or concerned parties has/have first been consulted.

Technology

Students must abide by the rules as stated in the school's "Acceptable Use of Internet Policy". Parent/guardian and student are required to read and understand the contents of the St. Anne School Policy and Parent/User Contract.

Picture Release Form

Every parent is required to fill out and return the Permission and Release Form (copy in the appendix) for use of their child's pictures taken during various activities/field trips/outings on and off-campus which may appear in a school publication/advertisement/website. Students' names will never be included in any of the school's publicity items without permission from the parent.

Report Cards

These are distributed approximately every nine weeks and are an indication of your child's progress. The following information may be helpful in interpreting "letter grades" which are given in grades three through eight.

- A - is given to top range mastery which is 93% to 100% of the basic skills/understandings of a grade level.
- B - represents the above average mastery – 84% to 92%
- C - represents the average mastery – 70% to 83%.
- D - represents the lowest acceptable mastery 60% to 69%.
- F - is given for achievement so low as to fail the mastery.

In Grades Kindergarten to Second Grade, the following marking code is used:

- E = Exceeds standard
- M = Meets standard
- W = Working toward standard
- N = Not at grade level standard

No Mark = Standard not addressed during current marking period

Students absent 15 days or more in a quarter may not be eligible to receive a report card for that current report card period.

Administrative Management System (My Students Progress)

Parents and students in grades 3-8 are encouraged to check the academic progress throughout the four quarters during the school year. The grading portal is closed the week before and the week after report cards are distributed.

Honor Roll

Students in grades 5 – 8 are eligible to be placed on the quarterly honor roll, as follows:

Principal's Honor Roll: (6th, 7th and 8th grades only)
Must have a 4.0 G.P.A. - An "A" in all subjects

1st Honors:
At least a 3.5 G.P.A.

2nd Honors:
At least a 3.0 G.P.A.

in the major academic areas – religion, math, reading, English, social studies, spelling and science AND they have a Behavioral Expectations code of 2 or above.

Students cheating or copying other student's work without teacher authorization will not be eligible for the Honor Roll for that quarter.

Homework

Homework is usually given every night. Weekend homework will be given only for purposes of making up work missed through absence or poor effort or in the upper grades for long-range projects. The following are approximate time allotments for each grade:

- | | |
|-----------------------|------------------|
| a. Kindergarten | 15 minutes |
| b. First and Second | 25 minutes |
| c. Third and Fourth | 45 minutes |
| d. Fifth and Sixth | 60 – 90 minutes |
| e. Seventh and Eighth | 90 – 120 minutes |

Since home study is given to supplement class work, much good can be accomplished if parents will help foster systematic study habits in their children by providing adequate study space and an environment free from distractions. Homework should be requested and completed when a student is absent from school.

If you need to get your child's make-up assignments, please allow one day's advanced notice. The assignments can be picked up at 3:00 in the school office.

Tardy

Students who are tardy to school cause an unnecessary disruption to the child, teacher, and class. Excessive tardiness can result in disciplinary action for the child and/or a parent conference.

Student Conduct

It is the responsibility of all students at St. Anne School to:

- obey the rules of the school.
- pursue the prescribed course of study.

- respect and respond to the authority of the teachers and other school personnel.
- arrive to school on time
- be courteous to fellow students, faculty members and staff
- respect the rights and property of others.

Code of Christian Conduct

The students' interest in receiving a quality, morally based education can be served if students, parents and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an express condition of enrollment that the student behave in a manner, both on and off campus, that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school. It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These Christian principles further include, but are not limited to, the following:

Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile or divisive. These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events. The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school.

Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will first result in disciplinary action short of a requirement to withdraw

from the school. The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant

immediate action without a warning and/or without an intermediate step short of withdrawal.

Harassment Policy

In 1992 the Archbishop of San Francisco promulgated a comprehensive set of policies and procedures covering all forms of unlawful harassment, with particular emphasis on sexual misconduct, verbal, written, physical, or visual, in the workplace and in ministerial relationships, as well as highlighting the unique respect and responsibility which is owed by adults to children. This supplement to the Comprehensive Guidelines is designed to serve as a more detailed policy and teaching tool for the students in the Archdiocesan schools. It serves as a tangible witness to the Catholic commitment to live, love and respect as Jesus did.

The Archdiocese of San Francisco affirms the Christian dignity of every student. Harassment is unacceptable conduct that is severe, pervasive, and deliberate. Harassment occurs when an individual is subjected to treatment in a school environment which is hostile, offensive or intimidating because of the individual's race, creed, color, national origin, physical disability or sex. Harassment of any student by any other student is prohibited and will not be tolerated.

A charge of harassment shall not in and of itself, create the presumption of wrongdoing. However, substantiated acts of harassment will result in disciplinary action up to, and including, dismissal. Depending on the nature and extent of the charge, if reasonable suspicion of misconduct is determined, the alleged harasser may be sent home pending conclusion of the investigation by the school.=

Communication

Good communication is an essential component of a good working relationship. Teachers will communicate any compliments or concerns they have to students and parents in a timely manner. Likewise, if parents have a compliment, concern or complaint, please bring it to the attention of the teacher for resolution. If the problem is not resolved, please contact the principal asking for assistance. If resolution is not reached after meeting with the principal, the pastor can be contacted for resolution. Parents are to never approach another parents' child if they have a concern. Parents are to direct any concerns of other children to the teacher or principal.

Discipline and Academic Referrals

Discipline and/or academic referrals may be given when children do not fulfill their obligations as students of St. Anne School. These referrals will be signed by the teacher and/or principal and sent home. Parents will be asked to sign the referral and return it to school the next day.

Probation

A pupil may be placed on probation for relatively serious offense, or for continued misconduct after a warning when the misconduct does not require more serious action.

Suspension

A pupil may be suspended from school for serious misconduct on- or off-campus during school related activities, or for continued misconduct after having been placed on probation.

Expulsion

A pupil may be expelled from school for misconduct of a very serious nature calling for immediate dismissal without suspension, or for a repetition of conduct for which the pupil has been suspended one or more times.

Grounds for Expulsion*

Grounds for expulsion are not to be applied automatically. There are, nevertheless, acts which constitute good cause for suspension or expulsion from school when the conduct is committed by a pupil while under the jurisdiction of the school, or when the conduct is directly related to a school activity or school attendance. Among these offenses are the following:

1. Actions gravely detrimental to the moral welfare of other pupils.
2. Incurable or disruptive behavior which impedes the progress of the rest of the class.
3. Assault, battery, or any threat of force or violence directed toward any school personnel, pupils, or other persons on school property or during school related activities.
4. Habitual or persistent violation of school regulations.
5. Use, sale, distribution, or possession of narcotics or alcoholic beverages.
6. Malicious damage or destruction of real or personal property at school.
7. Theft, extortion, arson.
8. Habitual truancy.
9. Hazing.

St. Anne Endowment Fund

St. Anne School is very fortunate to have such dedicated parents, alumni, and parishioners. Thanks to the generosity of these individuals, St. Anne School has an active Endowment Fund. The interest from the fund is used to assist the school in three areas: tuition assistance, capital improvement, and program enhancement. Every year, parents are contacted by the Endowment Committee and asked to contribute to the Fund. It is hoped that every parent will contribute, thus ensuring that future generations of students will have the same benefit their children are enjoying today.

St. Anne Parent Teacher Organization

All St. Anne parents are members of the St. Anne Parent Teacher Organization (SAPTO). This organization exists to develop community, further communication and cooperation between home, school and parish, as well as, to raise funds for the school operation. It offers the opportunity to come together in a spirit of Christian friendship.

The parent services and financial support allow St. Anne School to offer a variety of services and programs to the students. All parents are invited to attend the monthly meetings. A light supper is provided before the meeting starts. Free childcare is provided.

Parent Service Hours (All School Families)

Parent involvement is critical for our school programs and operation. As such, families with both parents must put in 40 hours of service each year; a single parent must put in 20 hours of service each year. Parents are responsible for recording their own hours and submitting the service card (on the dates indicated) to the school office. In addition to the many opportunities available for service, it is important to note that Parish Service Hours and coaching in the CYO Sports Program can be credited towards school service hours. Families that fail to perform agreed upon service hours will result in paying the “non-participant” tuition rate the following school year. **No monetary donations will be accepted in exchange for parent service hours.**

Parish Service Hours (Schedule A Families)

Parent involvement is critical to the parish. As such, families must put in 10 hours of service to the parish. Parents must keep track of their own parish service hours. To download a Parish Service Hour form, go to the Parish website (www.stanne-sf.org) click on “Ministry” at the bottom of the homepage. Then on the left side of the Ministry page see Schedule A family link for the Volunteer Form. Parents are responsible for filling out the form and getting it to the rectory office.

Student Service Hours

Every seventh and eighth grade student is required to perform service hours as part of the religion curriculum. The 24 hours of service will cover three areas: church, family, and community. The seventh and eighth grade teachers may provide suggestions as to where to serve. It is ultimately up to each student to find his/her own placement. Successful completion is part of our school's graduation requirements.

Student Recognition

A variety of student recognition programs take place every year within the classroom and the school. Students are featured every month in every classroom. Pictures of students are on display outside the Principal's office. Be sure to stop by and see who's being recognized!

Extra-Curricular Programs

St. Anne School offers a variety of after-school programs. The after-school sports' program is a sponsored program by the Parish Athletic Board for students in grades 3-8. Chinese language classes are offered 4 days a week after school. Piano lessons are offered to students in grades K-8 on Mondays. Boy/Girl Scout Programs are offered through the parish. An Instructional Band Program is offered for grades 3-8. Chess, art, tennis, karate and Yoga are also offered. Information regarding all after-school programs is provided via flyer or included with our weekly family newsletter before programs begin their sessions.

Outdoor Education Program

All sixth grade students are required to participate in the Outdoor Education Program as part of their science and religion curriculum. Orientation/information sessions are held for parents and students prior to the trip. There is a fee attached with the program. Parents are responsible the cost of the trip is paid in full by the date established by the sixth grade teachers.

The Sacrament of Confirmation

Confirmation will be administered to 7th and 8th grade students every other year. Students are required to attend a retreat as part of their religion curriculum and Confirmation preparation. In addition to deepening the faith of each student, this experience strengthens the bond among all the students in the class. Parent Confirmation meetings are held each year to strengthen the faith experience for candidates and parents.

All seventh and eighth grade students participate in a five-day trip to Washington D.C. every other year. This trip is an extension of the students' social studies and religion curriculum. Fundraising activities are coordinated and sponsored by seventh and eighth grade parents.

**MEDICAL RELEASE AND
CONSENT TO TREATMENT OF CHILD**

I am a parent or legal guardian of [INSERT NAME OF CHILD]
_____, ("my child") who is a student at ST. ANNE
SCHOOL. I have read, understood and consent to the following concerning my child:

1. First-Aid/Emergency Treatment: Without limiting other emergency powers that may be provided by law, I authorize school personnel to administer first aid to my child if the school administration deems it necessary and appropriate to preserve the life, limb or well being of my child. If the school administration believes, in its sole discretion, that a medical necessity exists beyond that which can reasonably be dealt with on school grounds by school personnel, I authorize the school to contact and engage qualified medical personnel and arrange for emergency treatment of my child, including transportation either by school staff or by professional transport for medical, dental, surgical or hospital care or diagnosis, and I consent to that treatment for my child. Arrangements for treatment will be made in the following order of priority: 1) The "emergency physician" listed above; 2) the "primary physician" listed above; 3) another physician or health-care professional licensed by the State of California. I understand and agree that I will be financially responsible for any such medical treatment.

2. Medical Supervision/Administration of Medicines: I understand that the school is not legally obligated to store or administer medication for students and will not do so, either on a temporary or ongoing basis, except by special agreement. If I have indicated, by signing this consent below, that the school may administer medications to my child, and if the school has agreed to administer medications by signing this consent below, I authorize the school to administer the medicines listed on this form, as indicated, but recognize that the school does not thereby undertake any ongoing duty to administer drugs or medicine, or to supervise or participate in any self-medication or medical program or ongoing, routine or non-emergency needs of my child, all of which remain my responsibility. Before any medication is given by the school, I will provide those medications in their original pharmacy containers, with the child's name and doctor's instructions on the label, and I will provide a written, signed authorization from a physician, including complete instructions.

3. Release of Student to Qualified Emergency/Medical Personnel and Third Parties: Without limiting other emergency powers as may be allowed by law, in the event of disaster or medical necessity involving the life, limb or well-being of my child in which it is necessary in the opinion of the school administration to transport my child from school property, or if it is necessary to evacuate the school grounds, the school will make a reasonable effort (in view of the nature of the necessity) to first contact a parent or legal guardian. If no parent/legal guardian is available, I authorize the school to release my child into the custody of third parties for the purpose of transporting my child from school grounds and arranging for such care as my child may need, in the following order of priority: 1) the persons listed above as emergency contacts; 2) qualified medical/emergency professionals; 3) another responsible adult.

4. Gathering, Use and Release of Medical Information: Without limiting other emergency powers that may be provided by law, in the event of disaster or medical emergency, I specifically authorize the gathering, use and release to, from, and among the school personnel and to, from and among any medical professionals, of any medical information reasonably necessary to provide emergency medical care and otherwise ensure the life, limb and well-being of my child, including without limitation, the information contained in this form, until I can reasonably be notified and take custody of my child. I understand that this information will be requested, gathered and/or released only for the purpose of providing first-aid or emergency medical care necessary in the absence of a parent or legal guardian, or as otherwise allowed by law.

This information will be used solely for the purpose of evaluating my child's ability to participate in school sports activities and will not be obtained by or disseminated to any third parties, except the school's coaches, administrators, trainers and athletic staff, and only for these purposes or as otherwise allowed by law.

CONTRACT PERTAINING TO
THE ACCEPTABLE USE OF THE INTERNET AND
ELECTRONIC INFORMATION RESOURCES**

GENERAL POLICY

St. Anne School strongly believes in the educational value of technology and recognizes that electronic services have the potential to support curriculum and student learning. The goal for providing such service is to promote educational excellence by facilitating resource sharing, innovation and communication. St. Anne School will make every reasonable effort to protect students, teachers and staff members from any misuses or abuses as a result of experiences with an information service accessed through St. Anne School. However, users may encounter material, which is controversial, and which users, parents, teachers or administrators may consider inappropriate or offensive. On a global network it is virtually impossible to effectively control the content of data and it is the user's responsibility to not initiate access to such material. St. Anne School will designate a member of the professional staff to serve as system administrator.

CONTRACT

Please read this document carefully. When signed by you (the user) and your parent/guardian, it becomes a legally binding contract. We must have your initials where indicated and your signature and that of your parent/guardian before we can provide you access to the Internet.

Listed below are the provisions of this contract. If any user violates these provisions, access to the information service may be denied and the user may be subject to disciplinary action. The use of the information system is a privilege and not a right. Inappropriate use may result in cancellation of those privileges. The administration of St. Anne School may require that the System Administrator deny, revoke or suspend use to the students who have violated these privileges. The school administration will decide what is appropriate use and their decision is final.

Unacceptable conduct and/or illegal interaction with the information service is strictly prohibited. This includes but is not limited to such actions as:

- using the network for any illegal activity, including violation of copyright or other contracts
- use of the information services for commercial activities for profit or product advertising
- degrading or disrupting equipment or system performance
- vandalizing the data of another user
- wastefully using finite resources
- gaining unauthorized access to resources or entities
- invading the privacy of individuals
- using an account owned by another user without authorization
- posting personal communications without the author's consent
- posting anonymous messages
- placing unlawful information on a system
- using abusive or otherwise objectionable language
- sending messages that are likely to result in the loss of recipients' work or systems
- sending "chain letters", "broadcast" or "chat" messages to a list of others
- political lobbying

Other Terms and Conditions of the Contract

1. **Personal Responsibility.** I will accept responsibility for reporting any misuse of the computers or related equipment to the adult in charge. Misuse can come in many forms and includes vandalism, theft and any message(s) sent or received that indicate or suggest pornography, unethical or illegal solicitation, racism, sexism, or inappropriate language.
2. **Acceptable Use.** The purpose of providing access to electronic resources is to support classroom instruction and educational research. The use of the electronic services must be in support of classroom directed activities and consistent with the adopted curriculum and educational objectives of St. Anne School
3. **Etiquette.** You are expected to abide by the generally accepted rules of network etiquette. These rules include (but are not limited to) the following:
 - a. BE POLITE
 - b. USE APPROPRIATE LANGUAGE
 - c. PRIVACY. Do not reveal any personal information, your home address or personal phone numbers or those of students or colleagues.**DISRUPTIONS.** Do not use the network in any way that would disrupt use of the network by others. Do not tie up the network with idle activities, play interactive games or download huge files.
4. **Services.** St. Anne School makes no warranties of any kind, whether expressed or implied, for the service it is providing, nor will it be responsible for any damages suffered while on this system. These damages include loss of data as a result of delays, non-deliveries, mis-deliveries, or service interruptions caused by the system or your errors or omissions. Use of any information obtained via the information system is at your own risk. St. Anne School specifically denies any responsibility for the accuracy of information obtained through Internet electronic information services.
5. **Security.** Security on any computer system is a high priority because there are so many users. If you identify a security problem, notify the System Administrator at once. Never demonstrate the problem to other users. Any user identified as a security risk will be denied access to the information system. **ST. ANNE SCHOOL RESERVES THE RIGHT TO INSPECT ANY USER FILES AT ANY TIME.**
6. **Vandalism.** Vandalism is defined as any malicious attempt to harm or destroy data of another user or any other agencies or networks that are connected to the system. This includes, but is not limited to, altering files and the uploading or creation of computer viruses. Any vandalism will result in the loss of computer services and disciplinary action as outlined in the student handbook.

St. Anne School has a behavior code for all students that details appropriate school behavior, outlines rights and sets expectations for students. Because electronic resources are used as part of a school activity, the school's discipline policy applies to network activities as well. Therefore, the electronic resource contract is an extension of the school's behavior code.
