Dear Prospective Parents,

Welcome to St. Anne School! We are delighted that you are considering joining our vibrant school community. At St. Anne, we strive to cultivate not only academic excellence but also a nurturing environment where every child is encouraged to grow spiritually, emotionally, and socially.

What makes St. Anne School truly special is the deep sense of family and belonging that defines our community. St. Anne is not just a school to me—it is my home and parish, a place I have cherished for 13 years. During my time here, I have had the privilege of serving as a 1st grade teacher, vice principal, and now principal. Each role has deepened my love and appreciation for this community. I value the strong bonds we have formed with our students, families, and staff, which make St. Anne a place where everyone feels welcomed and supported.

We are proud of our strong academic programs that encourage curiosity and critical thinking, while also promoting creativity and the joy of learning. Our classes ensure that each student receives personalized attention, helping them reach their full potential both in and out of the classroom. Beyond academics, we offer a wide range of extracurricular activities, allowing students to explore their interests and develop new talents.

At the heart of St. Anne is our Catholic faith, which guides our teaching and interactions. We aim to inspire students to live out the Gospel values, fostering compassion, empathy, and a commitment to service. By instilling these values, we hope to empower our students to become compassionate leaders in their communities.

We would be thrilled to welcome your family to St. Anne School. Please don't hesitate to reach out if you have any questions or would like to schedule a visit to experience the spirit of our school firsthand.

Thank you for considering St. Anne as the place for your child's educational journey. We look forward to the possibility of partnering with you to help your child grow in faith and knowledge.

Warmest regards,
Mily Lam
