

Dear Parents,

My name is Ms. Kari Perea, and I am excited to be your child's first grade teacher for this upcoming school year! I am honored to be a part of your child's journey and excited to welcome you into our first grade family. First, I wanted to extend my congratulations to you and your child on graduating Kindergarten! Completing Kindergarten is a wonderful milestone, and I hope you're taking time to celebrate!

I understand that you all are excited to start your summer vacation. I wanted to provide you with the 1st grade supply list and what I would like for you to do with your child this summer. Your child will be receiving a summer reading log. Please read for 15 minutes, 4 days out of the week. Please practice letter formation in D'nealian with your child. I will be providing worksheets for your child to use for practice. The first week of school I will be assessing your child to see if they are able to form their letters properly. Last, please practice addition and subtraction math facts up to 20 this summer with your child. Your child will be timed-tested the second week of school when we resume.

If you have any questions, please feel free to email me at [perea@stanne.com](mailto:perea@stanne.com)

Have an amazing summer!

Best,

Ms. Kari Perea
