

Dear Incoming Second Graders and Families,

Welcome to Second Grade! I'm so excited to have you in my class this upcoming school year. You worked hard in First Grade, and this year we'll keep building on everything you've learned while exploring lots of new and exciting topics together.

Over the summer, it's important to keep practicing your skills so you're ready for all the fun learning ahead. Inside your summer packet, you'll find handwriting practice, a list of high-frequency words to review, and a daily reading log. Try to complete a little each week and make reading a regular habit. Aim for at least three days a week, and be sure to record your books on the log.

You'll also be reading *Flat Stanley: His Original Adventure* by Jeff Brown which you can find at the library or purchase online. This fun book will kick off an exciting summer project. Inside your packet, you'll find a template to create your very own Flat Stanley. Once he's ready, take him on at least five different adventures this summer. These can be big or small. Maybe he joins your family on a trip, visits a local park, or even helps you bake cookies at home! For each adventure, take a photo of Flat Stanley and write a short paragraph about the journey. Tell me where he went and what happened there.

You can either bring the pictures and paragraphs on the first day of school or email them to me in advance so I can print them for you. Just let me know which works better for your family.

If you have any questions during the summer, feel free to reach out. I hope you have a fun, relaxing break. I'm looking forward to a great year with you in Second Grade!

Best,

Ms. Talia Zerna
