

ST. ANNE SUMMER SCHOOL 2026

“Traveling Around the World”

Dear Parents,

St. Anne School is excited to offer a summer program for students entering Kindergarten through Sixth grade. This year's program will run from June 8 to July 2, providing students with a fun and enriching learning experience.

Program Schedule & Offerings

The academic day will take place from 8:30 am to 1:00 pm, focusing on reinforcing and enhancing fundamental skills in language arts and math. Through engaging activities and a variety of instructional approaches, students will be motivated and excited about learning. Morning-only students will be dismissed at 1:00 pm and parents must pick up their child(ren) promptly in the schoolyard.

For families attending extended care, we are offering an afternoon program from 1:00 pm to 5:00 pm. Students enrolled in the full-day program will have lunch at 1:00 p.m. before transitioning into an afternoon of engaging activities. Pickup for full-day students is at 5:00 pm through the main front doors on 14th Avenue. As with our regular extended care program, a late fee of \$2.00 per minute per child will apply for pickups after 5:00 pm.

Drop-Off & Supervision

Supervised drop-off begins at 8:00 am at the Irving Street entrance. For student safety, please do not drop off your child before this time, as no supervision will be available.

Please Note: On the first day of summer school, please enter the schoolyard through the Irving Street gate. Do not enter through the main door.

Summer Theme: “Traveling Around the World”

This summer, students will explore a variety of fascinating countries, both near and far, through engaging classroom activities, readings, and projects that highlight stories, facts, and culture from each region.

To enrich these experiences, students will also participate in a few local field trips. Specific dates for the trips will be included on the summer calendar, which will be provided on the first day of summer school.

Enrollment Details

Once we receive your summer school application and fee, no additional confirmation will be sent. On the first day, students will enter the schoolyard through the Irving Street gate and gather at 8:30 am. They will line up in their designated grade-level areas, ready to launch into a summer of discovery among the stars!

To secure your child's spot, please download, complete and return the attached application along with the fee to the school office **by April 13, 2026**.

St. Anne School families: Please fill out and turn in the application, and upon receipt, your fees will be billed through FACTS Management.

Families from outside the St. Anne School community: Please submit payment in the form of a check along with your application.

We look forward to an adventure around the globe summer with your child!

If you have any questions, please do not hesitate to contact us.

Sincerely,

Mily Lam
